Honorable Judge Robert D. Drain

My Name is Anthony K. Olson (██████████)
soc# ██████████, Claim #5 628301-628310

I am writing this letter to let you know that because of the Covid 19 pandemic, I have had no access to the law library. Due to Filing passed the bar date, I am requesting permission to have my claim numbers accepted into the class action lawsuit against Purdue. Being incarcerated during the pandemic has been very tough. e.g. (no visitations, no Law Library.) Basically restricted movement.

Thank you for Your time
and help.
